

Role Description

CLIENT SERVICES ADMINISTRATION ASSISTANT

Location: Philippines (Remote)
Employment Type: Full-Time
Reports To: Perry Sandoval (Client Services Admin Lead)
Division: Cleaning

COMPANY OVERVIEW

Premrest has been in the flooring game since 1987, becoming Australia's go-to expert for commercial flooring: installation and cleaning. In 2019, two long-time employees took over the business, bringing fresh energy to a company with a strong foundation.

We're not your average cleaning company. We're specialists, innovators, and problem-solvers. We work with leading manufacturers, facility management firms, and national clients to provide top-tier floor maintenance solutions. At the heart of it all? A team that's driven, fun, and dedicated to excellence.

POSITION OVERVIEW

We're looking for a highly organised and detail-oriented Client Services Administration Assistant to support our Cleaning Division's operations. You'll be the person who makes sure every service order is accurate, every field report gets reviewed and sent to clients on time, and nothing falls through the cracks.

This role is the admin engine of our cleaning operations. You'll work closely with Perry Sandoval (Client Services Admin Lead) and the broader team to keep scheduling, client communications, and documentation running smoothly. If you have a sharp eye for detail, love keeping things organised, and take pride in getting things done right the first time, this role is for you.

KEY RESPONSIBILITIES

1. Field Report QA & Distribution (30%)

1. Review all incoming field reports from cleaning technicians each morning (by 8AM AEST)
2. Check photo quality and quantity: ensure adequate coverage of work completed
3. Review and rewrite technician written descriptions where needed to ensure clarity and professionalism
4. Distribute clean, approved reports to clients promptly (by 10AM AEST)
5. Flag any quality issues, incomplete reports, or concerns to Perry, Area Supervisors, or Area Managers for follow-up

2. Inbox & Communication Management (25%)

Premrest

premrest.com.au

1. Monitor and manage the Client Services shared inbox and work order inbox
2. Triage incoming emails: assign to the right team member, respond to routine queries, flag urgent items
3. Send templated emails to clients where needed, ensuring consistency and professionalism
4. Chase outstanding responses from clients, subcontractors, and internal team members
5. Support General Manager's inbox: monitor, categorise, and flag items requiring action

3. Service Order & Scheduling Support (25%)

1. Operate within a four-day window:
 - Yesterday: Confirm all jobs completed, reports distributed, issues raised and followed up
 - Today: Confirm all scheduled jobs are organised and ready to go
 - +1 & +2 Days: Follow up on tasks and prepare all jobs scheduled for the next two days
2. Ensure service orders in Pulse have complete and accurate details for technicians (scope of works, access info, contact details, special requirements)
3. Assist with access request submissions and follow-ups
4. Support scheduling changes: update Pulse, notify affected staff/subcontractors, confirm with clients

4. General Administration & Data Management (20%)

1. Keep all client data, job records, and service histories accurate and up to date in Pulse
2. Support invoicing: ensure completed jobs are invoiced accurately and on time
3. Assist with subcontractor onboarding documentation and key management tracking
4. Process subcontractor invoices against purchase orders
5. Assist Perry and the Client Services team with ad hoc administrative tasks as needed

REQUIREMENTS & SKILLS

- Previous experience in administration or customer service (minimum 2 years)
- Strong time management skills with the ability to prioritise and meet deadlines
- Attention to detail: you'll be the quality gate for field reports and service documentation
- Strong written English: you'll be rewriting technician reports and communicating with Australian clients
- Ability to hold others accountable: comfortable sending follow-ups and reminders to team members
- Proficiency in Google Workspace (Gmail, Calendar, Docs, Sheets)
- Experience with ERP or CRM systems (or willingness to learn Pulse)
- Comfortable working Australian business hours from the Philippines
- Proactive mindset: flags issues early rather than waiting for them to escalate
- Reliable internet connection and dedicated workspace

COMPANY VALUES

- **Floor Them:** Deliver work that genuinely impresses
- **Be a Sponge:** Stay curious, keep learning, absorb everything
- **Work as One:** The team wins together
- **Be Bold & Kind:** Speak up, take initiative, and treat people well
- **Own It, No Short Cuts:** Take responsibility and do it properly

WHAT SUCCESS LOOKS LIKE

- Field reports are reviewed and distributed to clients by mid-morning every day
- Client emails are responded to or assigned within 2 hours during business hours
- Service orders are complete and accurate before technicians arrive on site
- Perry is spending less time on routine admin and more time on client management and operational leadership
- Follow-ups and reminders go out proactively, not after things have been missed
- Invoicing is accurate and timely with no jobs falling through the cracks

ABOUT THE TEAM

You'll be joining a small, tight-knit Cleaning Division team:

- **Perry Sandoval (your direct manager):** Client Services Admin Lead, Philippines-based. She'll train you, answer your questions, and manage your workload.
- **Aaron Kelly:** General Manager of Cleaning. Sets the strategy and priorities for the division.
- **Bella Young:** VIC Area Supervisor, Melbourne. Manages the VIC cleaning team on the ground.
- **Mehdi Soltani:** NSW Area Manager, Sydney. Manages NSW operations.
- **Nick Grace:** Sales Director. Wins the work that keeps everyone busy.

We're a remote-first team that communicates primarily through Slack, with Pulse as our ERP system. We value people who are organised, honest about when they're stuck, and take pride in getting things right.
