

Role Description

CLIENT SERVICES ADMINISTRATION MANAGER

Company Overview:

Premrest has been in the flooring game since 1987 and has built a reputation nationally as the go-to guru for all things commercial flooring – from installation to cleaning. We create beautiful floors – so good you'll want to share the before and after.

While we may have been around the traps for a while, in 2019 the business was bought by two long-time employees who've injected fresh vibes into the mix. We have the benefit of having the heart and hustle of a start-up, with the strength and experience of an OG company.

Position Overview:

As the Client Services Administration Manager at Premrest, you'll be the engine that keeps our client services running smoothly. Your mission? Ensure our services are ready for action, our work orders are on point, and our schedules are seamless. You'll be the go-to person for all things backend, making sure our clients are delighted because our operations are top-notch.

Key Responsibilities:

Administration

Support the General Manager & Client Services & Onboarding Success Manager with administrative tasks where applicable/requested. Ensure all I's are dotted, and all t's are crossed for smooth and effective management of our portfolio of cleaning clients.

Collaboration

Seamless communication and collaboration with cleaning sales and operations is a must to ensure alignment and smooth workflows.

Scheduling

Assist the Client Services & Onboarding Success Manager with scheduling programs. Ensure a smooth, timely and hassle-free experience for our clients.

Building/Site Access Management

Ensure we are inducted into new client sites/buildings and are ready to go. Maintain a strong understanding of required documentation and industry requirements. Manage internal technician registrations (only inducting necessary personnel to drive efficiency), background checks and inductions to speed up the onboarding of new cleaning programs. 98% of new site inductions should be completed within 5 business days of a closed sale.

ERP Management & Data Entry

Import all relevant customer documents as provided by Cleaning Sales into ERP to create/update customers. You will manage the creation and management of

service contracts within the ERP and ensure timely finalisation of completed jobs with accurate data entry to ensure you can invoice client with 1 day of job completion without errors. To facilitate seamless Accounts Receivable follow-up, 100% accuracy in data entry for all service contracts, billings and customer information is a must.

Field Report Management

You will collate post-clean field reports to provide to Sales Directors (post-first clean) or to forward to clients (post live cleans). You will aim to deliver 100% of field reports to relevant internal/external stakeholders before midday on the day immediately after a cleaning is conducted.

Client Systems & Work Order Management

Support National Programs Manager with incoming work orders ensuring they are managed effectively to achieve a 95% or higher success rate within client systems is a high priority. You will ensure collaboration with internal stakeholders to stay on top of our scores. This may involve requesting extensions on client-provided KPIs ahead of time to ensure the maintenance of Premrest scores.

VA Oversight

Management of VA staff and ensuring they are trained, up to speed with Premrest structures, processes and systems.

Requirements & Skills:

Attention to Detail

You have an eye for the beautiful and a knack for improvement.

Technical Skills

You've mastered Office 365 and know your way around a CRM/ERP and keeping data clean and up to date.

Communication

Top-notch verbal and written communication skills, able to make complex info easy to understand.

Project Management

Stellar organisational skills with the ability to juggle multiple projects and priorities.

Interpersonal Skills

High emotional intelligence, able to empathise with clients and understand their needs.

Problem-Solving

A knack for identifying issues, crafting solutions, and implementing strategies to boost client success.

You value our values:**Floor them**

There's the expectation, and there's us. Way up here. As a team, we're proactive. We step up. Above and beyond is our standard. We look for ways to create 'wow' moments. It is how we turn our customers into raving fans.

Be a Sponge

We're always learning. We choose to grow. No stagnating here. As a team, we're coachable and teachable. We embrace the tough stuff. We learn from challenges and failures. We ask for feedback, and we show up with a growth mindset.

Work as One

The real MVP is a team player. We don't tolerate egos. We elevate others. We're humble, collaborative and work as a team. We've got different roles but we're here for one purpose. Whether you're flooring, sales, cleaning or accounts, we work as one.

Be Bold & Kind

We communicate with equal parts boldness & kindness. We're honest about our problems, and kind to the person. We don't tolerate BS. We keep it real, transparent & open.

Own It, No Short Cuts

We take ownership. We don't sit back and wait for others to make it happen. When we see a problem, we don't look the other way. We jump in and find the solution. We don't take shortcuts. We're all about quality.

Joining Premrest as a Special Projects & Quality Control Director is your ticket to unleashing your potential and driving our growth story. If you're a dynamo with a knack for nailing exceptional results and love laughing at the same time, then we would love to receive your application.
