Company Overview

Premrest has been in the flooring game since 1987, becoming Australia's go-to expert for commercial flooring—installation and cleaning. While we've been around for decades, in 2019, two long-time employees took over the business, bringing a fresh energy to a company with a strong foundation.

We're not your average cleaning company—we're specialists, innovators, and problem-solvers. We work with leading manufacturers, facility management firms, and national clients to provide top-tier floor maintenance solutions. And at the heart of it all? A team that's driven, fun, and dedicated to excellence.

Position Overview:

This is the technical and operational leader of our specialist floor cleaning team. You will act as a Player/Coach.

You will:

- Supervise, coach, and quality-check a team of casual evening cleaners
- Perform daytime technical work including site assessments, quoting, repairs, and flood restoration
- Recruit and train new casual workers to maintain a reliable, scalable evening workforce
- This is a hands-on hybrid role: 60% technician, 40% supervisor.

Key Responsibilities:

1. Casual Workforce Management (40%)

- Recruit, onboard & train new casual floor cleaners as needed (1-2per month)
- Deliver hands-on training sessions (equipment, techniques, safety, quality standards)
- Build and maintain a team of 4-6 reliable casuals covering 5-6 evening shifts per week.
- Conduct minimum 2 evening coaching sessions per week (6pm to late) to:
 - Observe live cleaning
 - Provide real-time feedback
 - Ensure consistency across sites
 - Perform random quality audits using photo checklists and client feedback
- Manage casual availability via chat and scheduling tools

2. Daytime Technical & Operational Delivery (60%)

- Conduct 3–5 daily site visits to:
 - Measure and photograph floors
 - Assess condition and scope of work
 - Capture data for accurate quoting
- Complete adhoc minor flooring repairs including:
- Rapid Response for floods & water damage in NSW
 - Onsite inspections and reporting to Special Projects Manager
 - Conducting moisture tests, producing reports
 - Arranging and liaising with subcontractors for supply and set up of drying equipment
- Maintain company vehicles, equipment, and storeroom
 - Weekly stock checks
 - Servicing equipment
 - Cleanliness
- Act as on-site problem solver for urgent client or operational issues
- Occasional out of hours on-call response needed

Requirements & Skills:

- Proven flooring repair skills will be valuable but not necessary.
- Full Driver's license and ability to travel daily across Sydney.
- Experience training or coaching others in technical or hands-on tasks.
- Strong attention to detail and commitment to quality.
- Professional Presentation for client-facing site visits.
- Fast learner, able to adapt to new sites and equipment.
- Experience scheduling
- Basic quoting of measurement skills
- Strong time management skills with the ability to prioritise and meet deadlines.
- Proactive mindset—always looking for ways to improve processes and increase efficiency.
- Align with company values:
 - Floor Them
 - Be a Sponge
 - Work as One
 - Be Bold & Kind
 - Own It, No Short Cuts

What Success

- 6 well trained & active casual staff at all times
- Evening shift coverage 100% filled
- Quality audit pass rate of 90%+
- Site visits per week 15+
